

KAPHALANI

## The Ultimate in Luxury Books

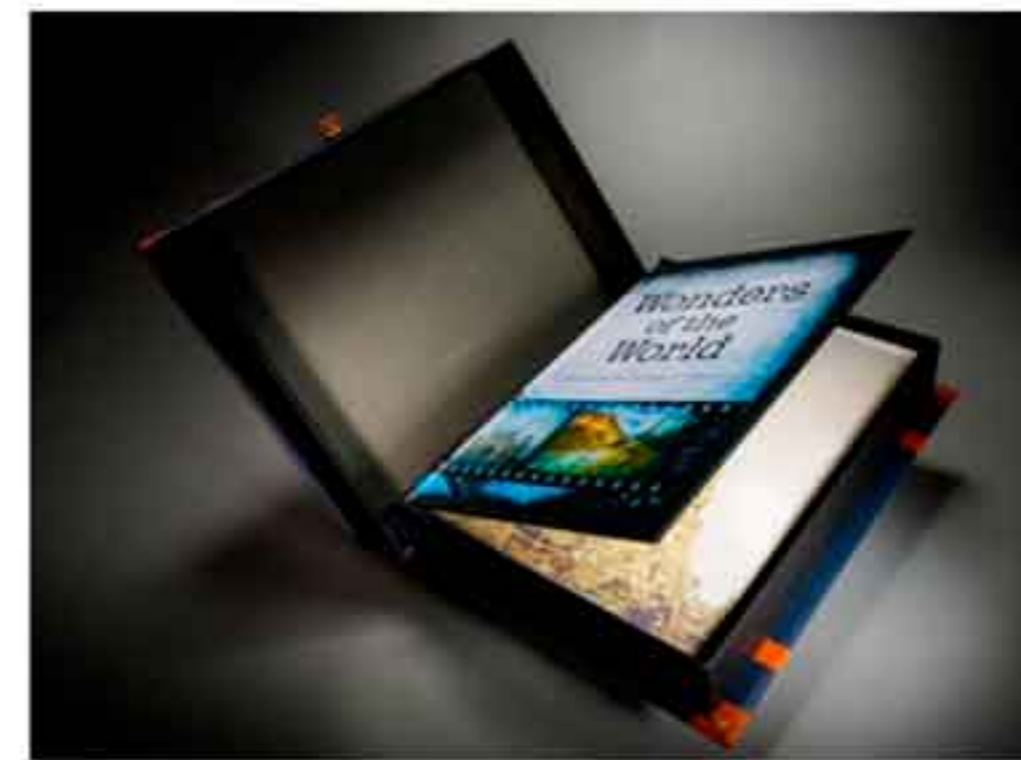

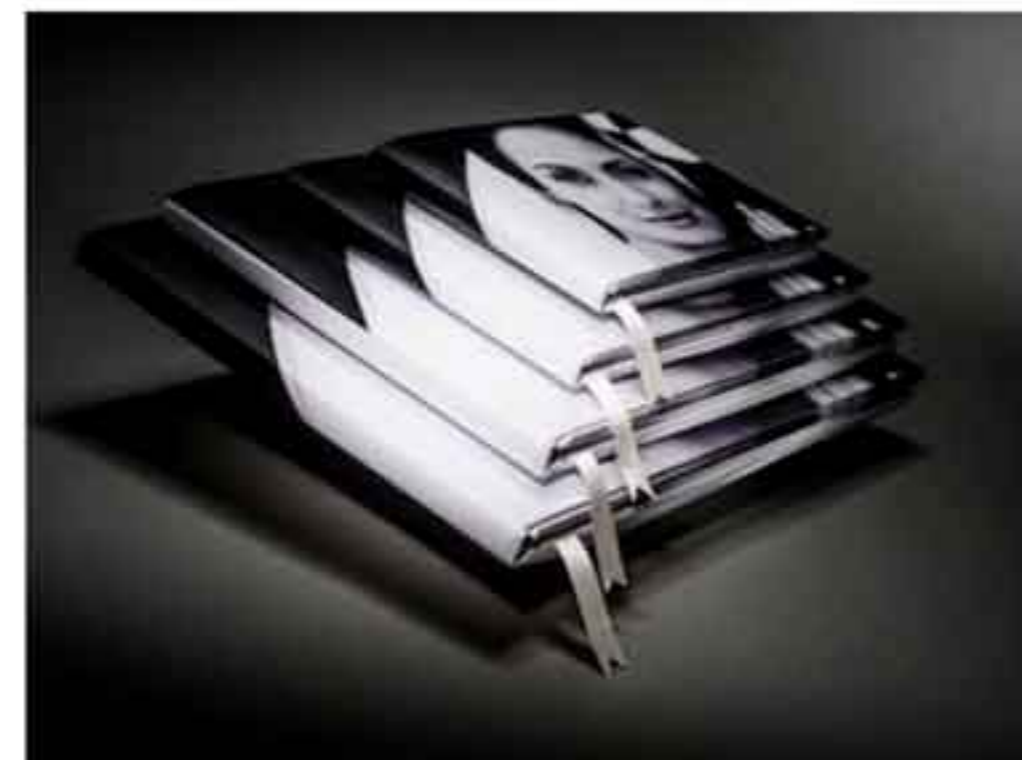

Hand-made in our Artisan Bindery, with real leather, alcantara and buckrams. Printed covers and dustjackets also available.

Our books are tailored to you and your memories, whether they are travel or adventure books, wedding albums, birthday books, family heirloom, whatever you hold dear we can make them into a work of art.

## Bespoke Luxury

From the start, every detail is worked out, from the design by our in-house graphic designer to finishing by our Master Bookbinder. We use traditional craft hand-binding techniques.

Our Master Bookbinder has over 40 years binding experience and has the highest level of perfection attainable. Each book is unique in its unparalleled bespoke finishing touches creating exceptional standards of excellence.

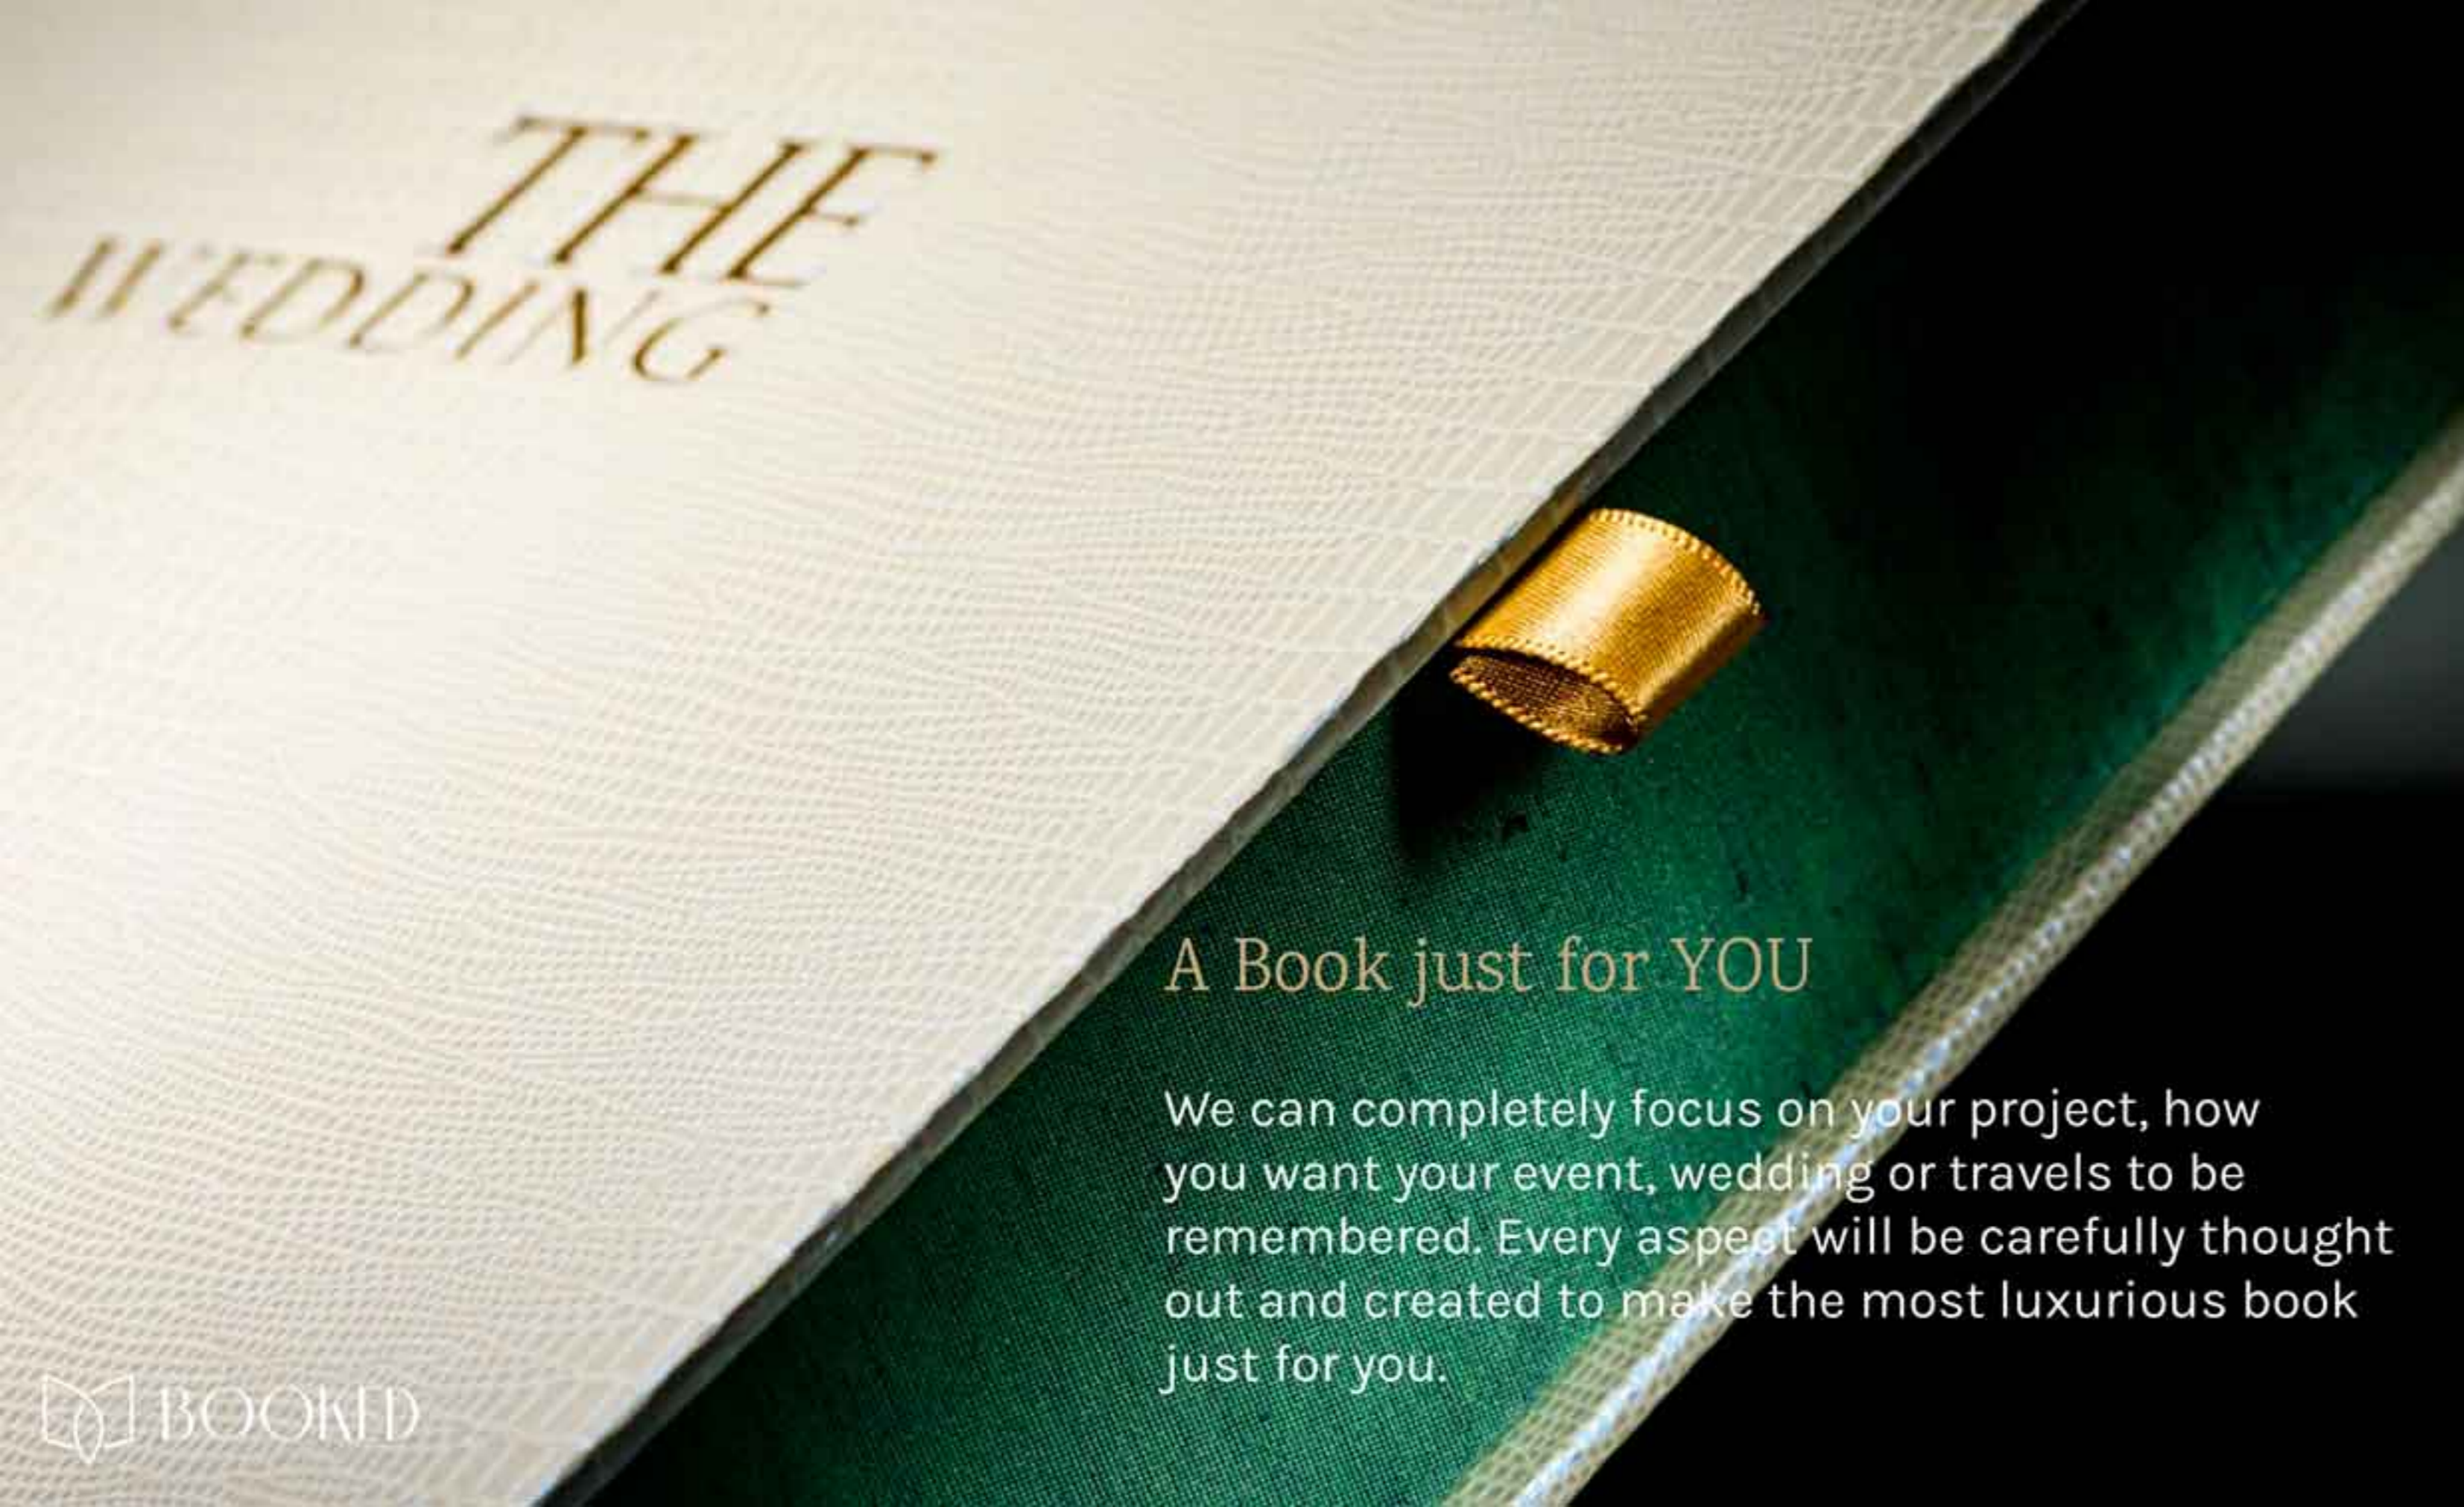

## From start to finish

Since the beginning Booked Images has been dedicated to creating books that are beautiful works of art. We respect the creative process which is evident in every facet of production.

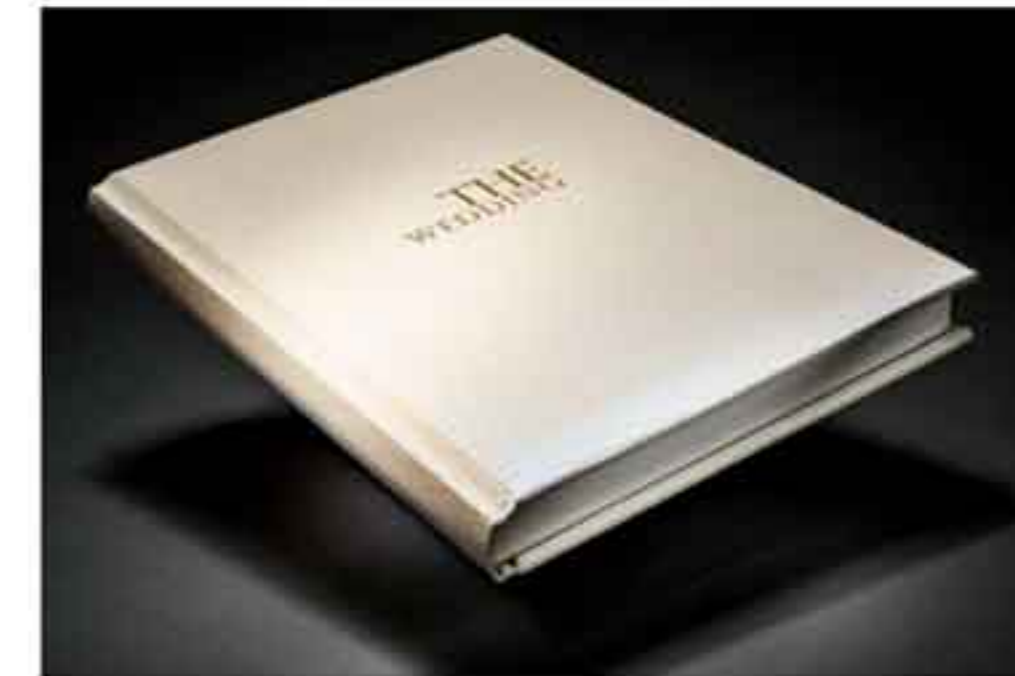

To complete the work of art that is your Booked Images book we offer matching slipcases, clam-shell boxes and a bespoke gift-wrapping service.

Books can also be hand wrapped in a range of colour co-ordinated papers or hand printed illustrations for that ultimate final touch of luxury.

## A Book just for YOU

We can completely focus on your project, how you want your event, wedding or travels to be remembered. Every aspect will be carefully thought out and created to make the most luxurious book just for you.

With real leather, alcantara, buckram and pellac materials, ceramic and metal badges, foiling, padding and ribbon - it really is possible to do the highest quality finish for your books and boxes.

Whatever you need to bring out the beauty and magnificence of your event - we can capture it all.

Details on a consultation with Nicole are available on our website: [www.bookedimages.com](http://www.bookedimages.com) or email direct [nicole@bookedimages.com](mailto:nicole@bookedimages.com).

## Easy steps to order

If your phone is jumbled with photos, or you have old photos stuck in a drawer why not sort out your precious photos and plan a luxury book for any special event in life! We can scan physical photos for you and mix with digital pictures for a truly unique book.

Every Booked Images coffee table book is made to order. Filled with your choice of photographs, scans, text or even letters, reminding you how special memories really are.

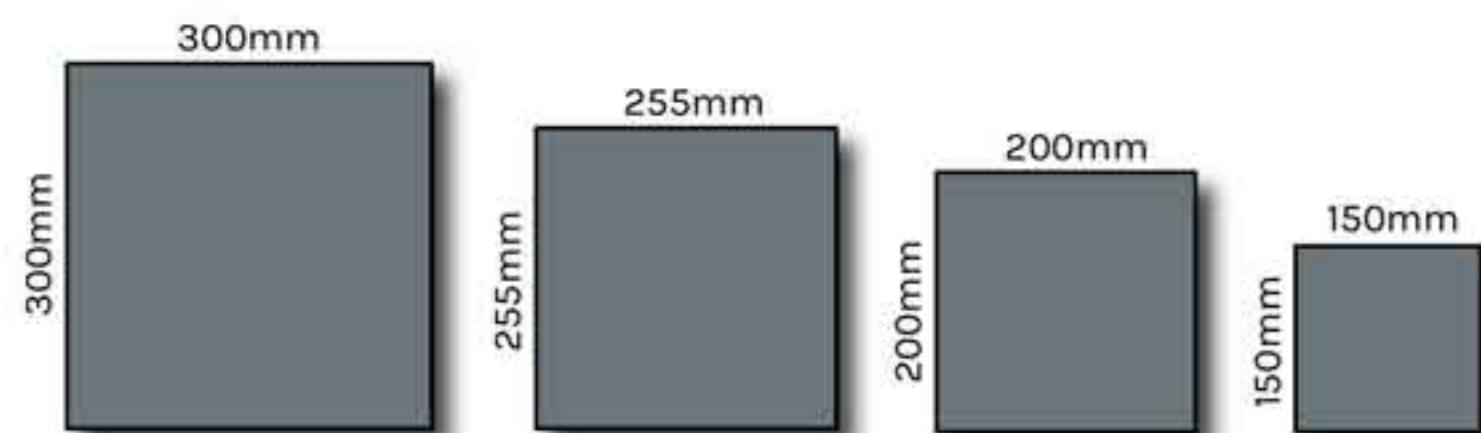

A one-on-one consultation with Nicole will start your book in the right direction. Choosing the size and style, materials and design elements.

## Book Dimensions

We offer a range of book sizes and styles to suit both your budget and your requirements.

Bespoke sizes are possible, please email us for more information.

### Square Books

### Landscape/Portrait Books

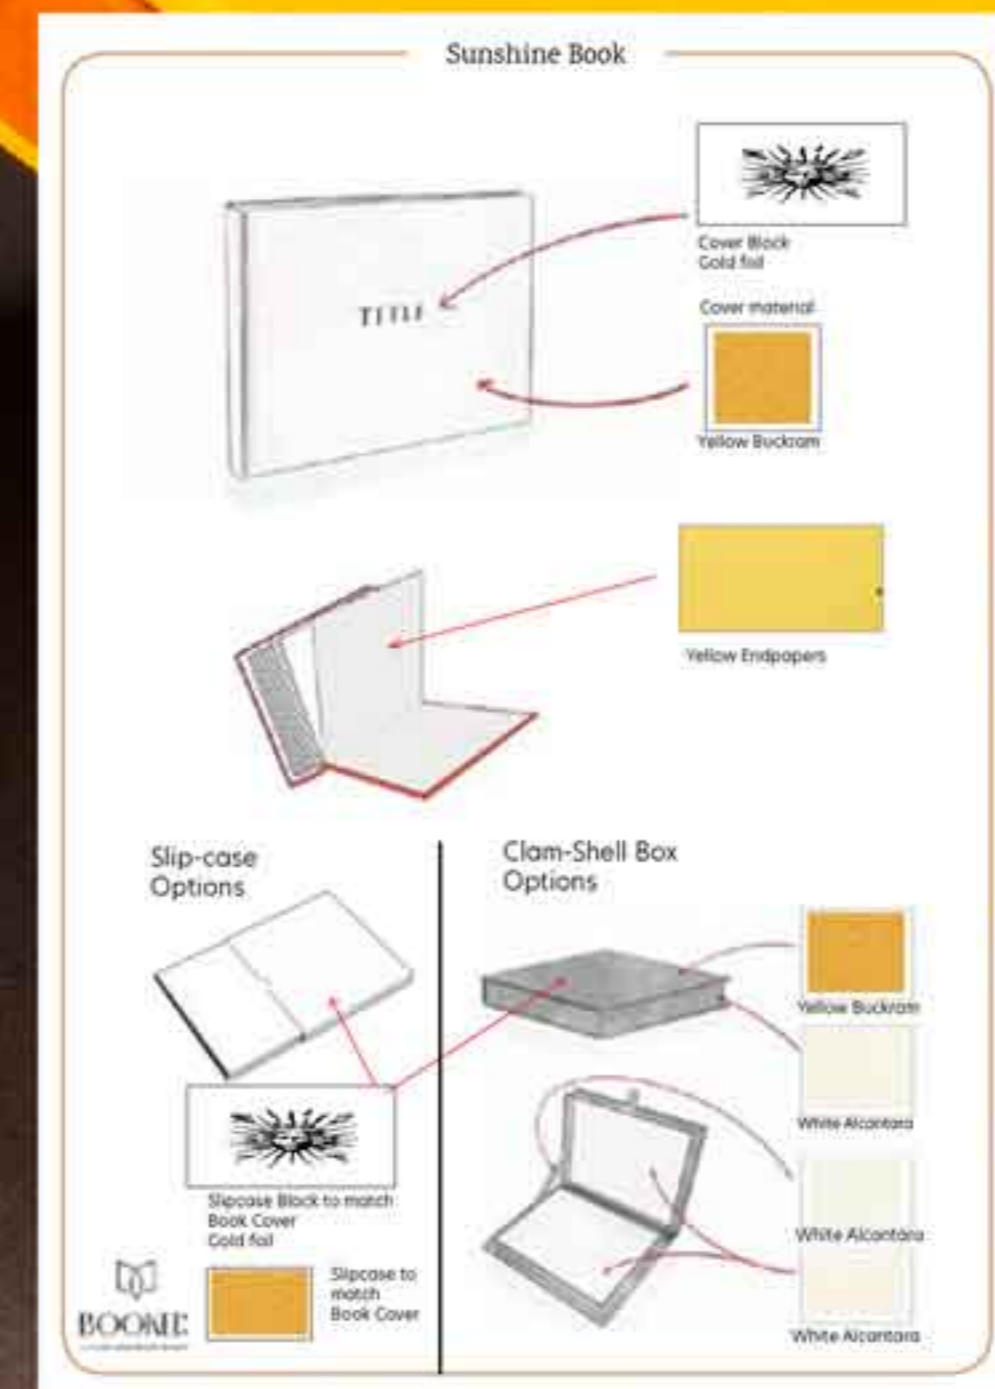

## Colours and choices

Covers, slipcases and boxes are all available with a huge variety of materials, from printed, laminated covers to the finest leathers or buckram.

We can also foil the covers and boxes in a range of colours or blind deboss directly onto the cover with your design.

We will personalise your book with your choice of colours and materials and confirm it with one of our swatch details.

For the extensive range of colours available please contact us.
